

# HIKE WOLFELD WOODS SCIENTIFIC NATURAL AREA

SATURDAY, OCTOBER 10, 2015

11:00 AM

Lunch after TBD

Last spring several ULLRs hiked in Wolsfeld Woods. It was a beautiful spring day but the trees had not yet leafed out. This fall the oak and maple forest will be in full color and I will hope for another sunny day for a hike in the woods.

## DIRECTIONS:

Go west on HWY 494/12 past Wayzata

Watch for a right turn onto HWY 112 to Long Lake

Turn right at the second light (Brown Road)

Go north 1 mile to the trailhead (parking lot of Trinity Lutheran Church)
