

Little Shop of Horrors, a horticultural musical, will have you screaming with laughter. Flower shop assistant, Seymour Krelborn, stumbles across a new breed of plant he names “Audrey II” after his coworker crush. Fame and fortune are promised to Seymour by the foul-mouth R&B-singing carnivorous plant. Seymour must keep feeding Audrey II an unusual diet. When Audrey II becomes insatiable, Seymour must risk everything in order to keep it alive. Enjoy the catchy doo-wop score in one of the world’s most popular musicals.
