

HIKE MISSISSIPPI RIVER AND MILWAUKEE AVENUE HISTORIC DISTRICT

MONDAY, NOVEMBER 20, 2017

Meet at 10:15 and begin hike at 10:30 am. Park on Minneapolis city streets, near East 29th Street, 46th Avenue South, and West River Parkway (just north of Lake Street)

We will walk up the west side of the Mississippi following the Winchell Trail for awhile, walking both on paved and dirt trails, and then over to the interesting Milwaukee Avenue Historic District, a 2 block long area of houses on the National Register of Historic Places. We will talk about this interesting area of Minneapolis that most of us have not heard about. From there we will walk along city streets and circle back to the West River Rd, returning to our cars.

Total distance will be about 4 miles. Lunch after the hike at Longfellow Grill, 2990 West River Parkway.
