

# JACK-O-LANTERN SPECTACULAR

## At the Minnesota Zoo

### Sunday, October 27, 2019

Jack-O-Lantern Spectacular (JOLS) is back for a 2nd year at the Minnesota Zoo. This year's theme is "Around the World." The JOLS trail features over 5,000 illuminated pumpkins of all different sizes, shapes and faces creatively carved and displayed from ground to tree-top. A variety of musical vignettes and fog make the perfect back drop for a special night.
