

Stillwater St. Croix Crossing Adventure!

Thursday, July 13

Experience Stillwater and the St. Croix River in a new way. The 5 mile loop travels along the river, over the new St. Croix Crossing bridge, through a bit of rural Wisconsin, then down the hill and over the iconic Lift Bridge. We'll stop to admire beautiful vistas from both bridges.

There is an 8% incline up the St. Croix bridge and a steep hill coming down, so check those brakes.

A trip along the Brown's Creek Trail extends the tour another 10 miles. If some want to just bike Brown's Creek Trail, we can divide in two groups.

Meet at 9:00, leave at 9:30. Drive East on Highway 36, North on Hwy 95 into Stillwater, through town, turn right on Laurel St. public parking lot at Brown's Creek Trailhead.

Bring a chair and picnic lunch for after the ride, at Pioneer Park, 515 N. 2nd St. Stillwater.
