

“Thanks for the Memories” – a trip down memory lane with Mike Henry

Mike Henry returns to ULLR on January 11th to again take us back to the days when we were young. This time he will be playing clips from over 100 of the original hit records from the 1940s and early 50s, along with stories and pictures of the artists, records, and more.

Since the records are one of the few things that never change, hearing clips from the songs we grew up listening to can trigger some wonderful memories from those days. Reminisce with the greatest hits from the big band era. Enjoy the best of the early crooners including Bing Crosby, Patti Page, Frank Sinatra, Perry Como, the Andrews Sisters, Nat King Cole, Tony Bennett, Les Paul & Mary Ford, the Four Lads, and many more. Experience the original recordings of You’ll Never Walk Alone, I Believe, and God Bless America.

DATE: Thursday, January 11th

TIME: Following lunch and business meeting

LOCATION: VFW, 6715 Lakeshore Drive, Richfield
