

# Scandia/Marine on St Croix Country Lakes Ride and Potluck Thursday - June 27th - 2024

**START FROM: Scandia Community Center**  
**14727 209th St North, Scandia MN**  
**Meet at 9:30 Ride at 10:00**

Welcome to our area of the biking world! We'll gather at the Scandia Community Center and complete two bike loops, the Bone Lake and Sand Lake trails, totaling 18 miles.

This is a lovely country ride with a variety of pavements and scenery featuring lakes, fields, gentle hills and hardly any traffic. There are a couple of short stretches on a county highway with very wide paved shoulders.
