Mississippi River Rafting Friday, June 28, 2024

Raft down the Mississippi River while learning about the trappers, lumberjacks, and river dogs that are part of Minnesota's history. Discover what life was like living and working on the Mississippi. Search for water fowl, ospreys, bald eagles and other river inhabitants. You will be paddling while guided by experienced naturalists from Three Rivers Parks.

We meet at 9:15am at River Park, 253 83rd Avenue North, Brooklyn Park. At 9:30am we car pool 3.5 miles to Mississippi Gateway Regional Park where we'll launch our rafts into the Mississippi River. Includes all equipment. No experience is necessary. This program takes place rain or shine. Cancellation will be decided by the naturalist for safety considerations. If cancelled the program will be rescheduled or your payment refunded.

We'll take out at River Park and assist our boat captain in packing up the raft for its trip home. Please bring a chair, food and beverage for a picnic and socializing at River Park after rafting.
