

Minnesota River Bluffs Ride Thursday, September 19th

Meet at 9:45am at Lake Ann Park, 1456 W. 78th St. in Chanhassen. We ride at 10:00am. Though the 24 mile route includes a few segments on City Streets, the majority of our ride is on paved and crushed stone City and Regional Bike Trails.

Our ride will take us on the Chaska and Carver levies along the Minnesota River to the Historic District of Carver. We return via the Minnesota River Bluffs Regional Trail to Miller Park and then on City Trails back to Lake Ann. The Regional Trail is a former railroad bed providing a gradual rise up the Minnesota River Bluff.

Bring a chair, food and beverage for a picnic lunch after the ride.

*****Helmets Required*****
