

Lake Minnetonka Hiking

Monday, February 10, 2025

We will walk onto Lake Minnetonka from the Wayzata Beach parking lot.

294 Grove Ln E, Wayzata, MN

This is the same place we meet for bike rides.

Meet at 10:15 AM, Hike at 10:30 AM

It will be windy so dress warm, wear sun glasses for the glare.

We can travel in boots, snow shoes, cross country skis, fat tire bikes or sleds.

The terrain is flat of course but may be a little chunky so bring the sticks.

We can walk on the plowed roads or the snowmobile trails.

We can also walk on the snow.

The ice is usually very thick this time of year but there are other options.

The new Boardwalk, the bike path and the sidewalks are usually clear of snow
but could be icy depending on recent weather.

The front side of the Ferndale mansions will be visible from the lake.

Stop and talk to the fishermen, they like to be interrupted.

Bring your fishing gear and license, I have an ice auger.

Meet after for lunch at the Wayzata Bar and Grill

747 Mill St, Wayzata MN

RSVP: Dan Regan
