David Jones, Presents 1936 Berlin Olympics: The Nazi Games

The 1936 Olympic Games held in Berlin are notorious for the tightly controlled image the Nazis presented to the world. But these Games also became a blueprint for future Games that is followed to the present day. We will look at the history of the Olympics and the complicated legacy of the 1936 Games. David is a returning speaker, having enlightened us in 2024 about the history and lore of Mount Rushmore.
