This **19-mile** ride will wander through Historic Fort Snelling on both the west and east sides of Hwy 55/62. We explore Ft Snelling State Park (not the steep trail by the fort), then ride to Minnehaha Falls and proceed over the Ford bridge to explore the newly developed neighborhood on the former Ford Plant. From there we will head towards Marshall Ave on city streets to see some beautiful homes. We return along the Mississippi parkway on the east side of the river. We stop at Sea Salt Eatery at Minnehaha Falls for lunch before returning to our cars.
