We will meet in the Carl Kroening Nature Center parking lot. The trail on the west side of the Mississippi has been improved and the Coon Rapids Dam/ West Mississippi Gateway Center just opened in June. It is glorious and worth a visit. That will be the turn off for people that want a shorter ride (14 miles RT). Others can choose to ride the extra 7 miles to Elm Creek Park on the Rush Creek Regional Trail.

Bring a chair, food and a beverage to dine at Carl
Kroening
