Super Moon Hike

On March 19th the moon was closer to the earth than it's been since 1992. On March 18th six adventurous hikers ventured forth on a perfectly clear night at Wood Lake Nature Center to observe almost daylight conditions. Someone recommended moon glasses (versus sun glasses) and moon skin protection from the glare. Moon shadows created enough light to make rabbit ears and birds with hand gestures. Several owls were heard in the background.

The group had a bite to eat at Champ's afterward our hike.

King Tut

Gary and Karen Gray

About 50 people attended a discussion on ancient Egypt and The King Tut Exhibit now at the Science Museum of Minnesota. Gary Gray led the discussion, held at the Gramercy Club party room on Saturday, March 19, 2011. Besides the ULLRs present, about 8 Gramercy Club residents also listened in. The discussion purpose was to prepare people for the upcoming tour on Tuesday, April 5, being organized by Nancy Sand; she also reserved the room, made coffee and even provided excellent libations after the discussion. Karen Gray brought scrumptious cookies for all. About 14 ULLRs then went out for dinner at the local Olive Garden. Although it sounds like all we did was eat, we really did talk a lot about Ancient Egypt.

Visit to the National Eagle Center

Saturday March 26 was a cold day on the Mississippi River, but Vickie Lee, Ron Fleming, Woody and Cheryl Rogers enjoyed the informative presentations, saw rehabilitated eagles in the Center, had a nice lunch and then viewed eagles flying over the Reeds Landing Road on our way back to town.

FROM THE PRESIDENT

Twelve months have gone by in a hurry. Again! It's been 7 years since I rejoined ULLR's. I've been on ski trips to Big Ski, Snowmass/Aspen, Copper, Mammoth, five hills at Lake Tahoe, and Steamboat in the West as well as Minnesota, Wisconsin, and Michigan in the Midwest. I've ridden my bike, snow shod, hiked, attended banquets, folded the newsletter, and eaten and talked with many of you. What a pleasure for me, and I thank all of you for allowing me to be a part of what all of you do so well. Someone said "It takes a village to raise a child". I'd like to suggest that we have around 300 caring participating members that keep our organization healthy and vibrant. If I tried to thank everyone that helped me perform as your President, I'd miss someone for sure. However, thanks must be said to Diane Erlandson and Sandra Shearer as they leave the board. Carol Bush joins the board as Secretary and John Vogt as President as I move over to Past President/Advisor, an orderly progression that has been taking place for decades within our club. Karen Oakland, NULLR editor and JJ Coursolle, Webmaster, also need to be thanked for their continuing excellent effort on behalf of all of us. It's been a treat for me to work with a terrific committed and talented board. Thanks to all of them and to everybody that I didn't mention. I hope to see you soon and don't forget to say hello.

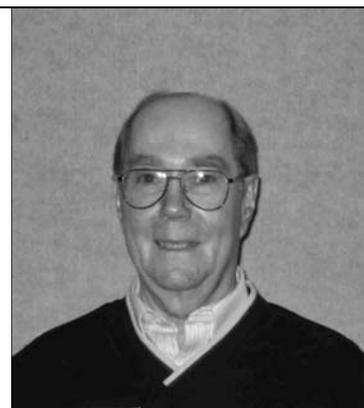

Your Prez, Bruce Warner

New 2011—2012 ULLR Board Members

Included in the April 2011 Nullr were biographies of our two new Board Members — but no photos. Here we present John Vogt, ULLR President and Carol Bush, ULLR Secretary, as of May 1st. The ULLR Board of Directors meets on a regular basis to coordinate the efforts and activities of numerous

other club volunteers. Together they keep a full schedule of social, cultural and sports events on our calendars. The other Board Members, listed to the left on this page, are continuing in their positions for the upcoming May 2011 - April 2012. Let's give them, past officers, as well as the committee chairs and event organizers, a big thank you when we next see them! Our lives would not be as full without this great club of friends!

The Foundation Corner

By Joan Roe, Foundation President

It doesn't seem like three years have gone by since I first wrote an article for the Foundation Corner, and now I am writing my last! I am pleased to pass the torch to Bill Kansas, who has a lot to offer. He's a Past President of the Foundation with experience in non-profits and someone well known within the club. The Board looks forward to serving under Bill's leadership and to continuing to find ways we can provide fun for all ULLRs while fund-raising for the disabled.

I am honored to have served the ULLR Club as Foundation President. It has been a very gratifying and satisfying experience for me to give back in this special way. I am in awe of the generosity and support of all ULLRs and proud to be part of the only ski club in this area which has a foundation. The Foundation exists because of all of our collective caring and our desire to give of ourselves. Thank you from the bottom of my heart. You're the best!

By the time you read this, the Foundation Raffle at the April 14 general meeting will have taken place. We hope you had as good a time participating as we did planning the evening, and that you are enjoying your winnings.

The Adaptive Ski and Snowboard Program at Buck Hill through Pdraig's Place will be the recipient of funds raised at the Second ULLR Fundraiser Golf Tournament and Foundation Dinner. The tournament will be held **Tuesday, August 23rd at River Oaks Golf Course in Cottage Grove.**

Pdraig's Place is a local non-profit organization that provides services for skiers and snowboarders with physical and cognitive disabilities. The adaptive equipment assists stand up and sit down skiers and snowboarders, as well as those in the Buck Hill Adaptive Program who have balance, vision and hearing problems. We feel this is a very worthy cause and that a fundraiser for them is a very worthwhile goal!

The golf tournament will be an 18-hole scramble with many great prizes. The cost of \$85 includes green fees, riding cart, driving range, prizes and dinner, including tax and tip! A real deal!

Not a golfer? The Foundation Dinner for non-golfers is \$25, with socializing at 5:30 pm and dinner about 6:30 pm. The evening will include a silent auction with many great items!

ULLRs and non-ULLRs, golfers and non-golfers are welcome!

See details in ad on page 5 of this Nullr, and see the flyer with solicitation letter online.

2011 PGA cards are available from Gus Bjorklund. (see note below)

You give the gifts that keep giving! Thank you for your support.

Golf Opportunity

What: The ULLR Foundation is selling **2011 MPGA Golf Cards**

Cost: \$35.00 (with the Foundation netting \$15.00) includes

- 4 free rounds of golf (buy one, get one free) at more than 175 participating golf facilities,
- Golf cart and driving range specials at most courses,
- Discounts at several indoor golf simulator centers and practice facilities.

Purchase cards at General Meetings, summer "What's Cookin'?" picnics or by contacting Gus Bjorklund at 651-698-4636 or gustheskier@yahoo.com.

Science Museum of Minnesota

April 5 was a beautiful sunny day in the Twin Cities with temperatures around 55 degrees. It was a perfect day to be outside, but **36 ULLRs** and 6 guests chose to spend the day inside touring the King Tut Exhibit at the Science Museum of Minnesota.

It was a fabulous day! When we got to the Museum, we were delighted to learn that because Nancy Sand made early arrangements for our tour, we were given free audio vouchers.

First on our agenda was coffee and gigantic bakery treats in the restaurant. Most of our group "ate the whole thing" and wondered how they would have room to eat lunch in another hour.

The film at the Omnitheater, "Mummies: Secrets of the Pharaohs", was excellent. We learned history of the age of the pharaohs, how mummies were prepared and later discovered, and the importance of how DNA testing on mummies might help us with some of today's medical issues.

Considering the size of our earlier bakery treats, most of us still found it possible to enjoy lunch.

Following lunch we entered the King Tut Exhibit. The Exhibit artifacts were fascinating and very well displayed. Graphics, videos, and audio helped us understand and learn about the objects and history of that period of time.

When we exited the Exhibit, many of us went to see the Museum's

Linda G - Ben C - Charlie B

mummy where Gary Gray, a Museum volunteer, further explained the mummification process.

At the end of our day, we all agreed that Gary Gray's discussion session in March was excellent preparation for visiting this Exhibit.

Thanks again, Gary!

Old Log Theater

Sally Chevalier, Chairperson

In the April "Recalling Past Events", the Old Log Theater event hosted by Sally Chevalier, was noted. In this Nullr, we have a photo from Sally, and she notes the group had a delicious lunch at Maynard's in Excelsior before the play.

Playgoers thought the Old Log Theater presented a "fabulous" production of "On Golden Pond". After the play they were treated to a back stage tour which was both interesting and educational. All in all, it was a great ULLR event.
