WESTERN DAKOTA RIDE AND LAKE WACONIA BEACH PARTY

The day started with 16 bikers enjoying a 2 hour bike ride from St. Bonifacius to Mayer with Patty and John. The trail was easy, being an old rail bed.

The Beach Party at Jim Maiser's home was marvelous. Once again the weather cooperated for ULLRs. Some members enjoyed pontooning, water rafting, kayaking and swimming. Special accolades to Sharon Marini, Jim Maiser and Bruce Warner for water skiing after many years lapse from this sport. The afternoon was spent relaxing and enjoying the lake scenery and fellowship with other ULLRs – along with beverages and hors d'oeuvres. A potluck dinner with brats and sauerkraut ended the day. What a great afternoon! Thanks Jim!

Save the Date:

Saturday, November 30, 2013, for the Holiday Ball

We are planning a delicious menu at the Fort Snelling Officers Club. The *Changing Times Band* will again play for our listening and dancing pleasure. Please bring you checks to the October 10th General Meeting to reserve your place. You don't want to be left out. More information to follow. Co-chairs are Mary Ellen Gabel and Sharon Marini.

SILVER LAKE RIDE AND POTLUCK SOCIAL

Once again, Charlotte Navratil and Alan Moore hosted an Independence Day celebration, this year on July 6th. About 20 bikers were given several options for their ride, but all included some long hills and county roads. ULLR riders were up for the challenge!

Following the ride there was time to socialize with many ULLRs who came for lunch. The potluck selection was a feast, along with grilled hamburgers. Looseleaf binders, filled with old Nullrs, were shared among the folks. It was fun to remember old friends and events. Thank you Alan and Charlotte for your wonderful hospitality!

LETTER FROM THE PRESIDENT

By Cheryl Rogers

September always seems to me like a transition month. The children (probably grandchildren for a lot of members) return to school. The bike ride temperatures cool down on some days and spike up unbearably at other times. These are precious days, and I savor each nice day that my ULLR friends and I can get out for a bike ride, a hike or enjoy the flowers (as they are at their peak this time of the year). I think as I get older there is more time to enjoy things previously taken for granted.

Our Club has filled a necessary void in my life, and I suspect that other longtime ULLR members may agree the same is true for them. We have such a wonderful variety of fun activities, and many members travel all over the world with fellow ULLR members to share the joy of new discoveries and sights. You and I are very fortunate to be members of this group. I thank each of you who contributed your time toward Club activities this summer—the What's Cookin' Chairs and crew, Beverage Coordinators, the Biking Chair and bike leaders and the Folding Party Hosts.

Our Winter Planning Meeting in July resulted in many innovative hikes and events which we think you will enjoy, beginning on September 14. Also, we have great skiing events on our winter calendar. This includes local skiing throughout the winter, the MSC trip in December to Lutsen (instead of Indianhead), the western trip to Steamboat in early February and the Granite Peak (instead of Giant's Ridge) drive-up trip in the 3rd week of February.

The winter Folding Parties on January 17, February 21, and March 21 will start at 12:00 Noon (instead of 6:30 PM). In April the Folding Parties will return to the traditional 6:30 PM start time. We wanted to try daytime Folding Parties this winter so attendees don't have to be driving on slippery roads in the dark. The Folding Party Chairs, John Stiefel and Patty Fitzgerald, are looking for hosts for the months of February and March.

In closing, hope to see many of you at our upcoming fall events. Studies have shown that exercise extends life expectancy. So let's get out and hike or bike!

ULLR FOUNDATION NEWS – MAJESTIC HILLS RANCH

On May 16th four members went to the Majestic Hills Ranch in Lakeville to present a check from the ULLR Foundation. The money will be used for special equipment for the horses, adaptive saddles and stirrups. The ranch has therapeutic riding programs which focus on military veterans and children and young adults with special needs.

For 42 years, ULLR members have supported the Foundation, thus enabling it to do its philanthropic mission of enabling physically and/or mentally challenged individuals to partake in physical activities. Many different types of fund raisers have been employed and the Foundation will continue to do this in the future. As the club membership has declined, some people have also chosen to make tax-deductible donations as the Foundation is a 501(c)(3) charity. We invite you to consider making a contribution to the ULLR Foundation. For more information contact a Foundation Board member listed on the first page of the membership directory. Thanks for all of your past and on-going support. It has made a difference in the lives of many people.

Cheryl mentioned how ULLRs travel together. Here are our "Two African Queens," Sally C and Judy B on safari.

FOUNDATION NEWS – PROACT

On June 27, 2013, several Board members of the ULLR "Ski for Light" Foundation drove to ProAct in Red Wing, Minnesota, to present a check for \$700.00 for needed exercise equipment.

Nancy K, Joan R, Lorri C, Jerry W (ULLR Foundation President), Sally Ogren (Director of Programs and Services), Steve Ditschler (President/CEO ProAct), and Rachel NaSat (Case Manager).

MSC – MINNESOTA SPORT/SKI COUNCIL

By Jerry Schuster, President

MSC will be looking for volunteers to man the MSC booth at the September 20-22, 2013 Hoigaard's Tent Sale. Talk to ULLRs Pam Anderson or Dolly Eastman about taking a shift.

The MN Ski & Snowboard Expo at the MOA is now owned by the new Minnesota Ski Areas Association, and BEWI Productions is operating it for them this October 18-20, 2013. We may be looking for volunteers to man a booth there, but won't know until early September. Go to www.mnski.org for more information and to see all the activities going on in the local ski clubs.

The MSC Winter Carnival will be held at Lutsen instead of Indianhead the weekend of December 13-15, 2013. ULLR is a proud member of MSC.

EXCITING, UPCOMING NEWS

By Mary Ellen Gabel, Executive Vice President

For those of you who thought the meetings were boring, the Board and I have planned some action for you this coming season. At our **October 10th** meeting we'll be having Andy from Hoigaards talk to us about their cross country and snowshoe equipment. On **November 7th** Eileen Ronning will give us a little lesson on line dancing. **December 12th** we'll have a drawing again, like last year, for prizes donated by the club members [so think about anything you'd like to donate], also an ugly Christmas sweater contest.

We'll start the new year with square dancing on **January 9th**, so bring your dancing shoes. A "Back to the 50s-60s Dance" will be on **February 13th**. You can wear your poodle skirt if you still have one, a long straight skirt, saddle shoes, loafers or other such things. [Look at your school pictures!] Guys – slick your hair back, roll some

cigs up in your t-shirt sleeve and swagger in! We'll have a Hawaiian theme for our **March 13th** meeting – think Hawaiian shirt, leis, music. Judy Palapala, a former ULLR who was married to a Hawaiian, will teach us how to do the Hukilau. Too bad we can't have Lomi Lomi salmon and Mai Tais! Then on **April 10th** we'll have the Foundation Raffle, and Linda from Hoigaards will talk to us about Nordic walking. Mark your calendars now.

Due to prices going up at the Minnesota Valley Country Club, we decided to have both dances at the Officers' Club this year. Drinks are cheaper there too! The **Holiday Ball** will be held on **November 30, 2013**, with the "Changing Times Band" again. The **Spring Banquet** will be on **May 10, 2014**, hoping more of our snowbirds can attend, so save the dates!

Editor's note: Want to get a head start on learning the Hukilau? See <http://www.youtube.com/watch?v=gMgys3wB73o>

HOW DID THOSE AMAZING MAYA:

- Build those marvelous temples, palaces, and pyramids?
- Develop a language to write about themselves?
- Make books and ceramics and carved stone to tell their stories?
- Perform higher mathematics?
- Make calendars good for thousands of years?
- Master agriculture so everybody had enough to eat?
- Decorate and color everything from huge monuments to clothes?
- Transport goods through the jungle and on water?
- Make rubber balls and glue?
- Manage their precious water supply?
- Make an art form out of bloodletting? And why?
- Survive invasion and a horrific genocidal war?

Come to hear Gary Gray discuss these questions and more.

When: Sunday, September 29, 2013, at 2:00 PM

Where: Courtesy of Nancy Sand
We'll meet at Gramercy Club Party Room
15001 Burnhaven Drive, Burnsville, Minnesota

Optional: Supper at a local restaurant.

MAYA EXHIBIT – AT THE SCIENCE MUSEUM OF MINNESOTA

Date: **Tuesday, November 5.** Meet at 12:30 PM in the lobby of the Science Museum in St. Paul.

Activities: 1:00 PM – View the Omnitheatre film "*Mystery of the Maya*"
