HAVE YOU VISITED US ON THE WEB LATELY? WWW.ULLR.ORG

ULTIMATE DINOSAURS AT THE SCIENCE MUSEUM OF MINNESOTA

ULLRs will have two opportunities to learn more about dinosaurs. The past few decades have generated a wealth of information about those fascinating creatures called Dinosaurs. Gary Gray will run through about 130 million years of evolution with the dinosaurs in less than an hour. Gary will be showing artist's concepts of what the dinosaurs looked like so you'll have some idea about their appearance. Then, hopefully, if you didn't have nightmares about dinosaurs before, you will now!

When: Sunday, June 8, 2014 – 2:00 PM
Where: Nancy Sand's party room at the Gramercy
15001 Burnhaven Drive, #108
Burnsville, MN 55306.
Contact: Gary Gray – 952-895-8960
gdgray@q.com for more information.

Gary's Top Ten List of Questions

- What makes a dinosaur a dinosaur?
- Just how big were they?
- Were they warm blooded like us?
- Were they good parents?
- Was Velociraptor as bad as portrayed in "Jurassic Park?"
- Were they scaly or feathery?
- What killed the dinosaurs?
- Are dinosaurs really extinct?
- Who benefited from their extinction?
- Can we really recreate dinosaurs?

Gary Gray will lead a tour of the Science Museum of Minnesota [SMM]. Attendees will look at the SMM Jurassic Park first, and then see the visually stunning movie, "Dinosaurs Alive!" This will be followed by a tour of the special exhibit, "Ultimate Dinosaurs!"

When: Friday, June 20, 2014 – Beginning at 12:50 PM
Meet in the lobby.

Where: Science Museum of Minnesota [SMM]
120 W. Kellogg Boulevard
St. Paul, MN 55102 [in downtown]

Cost: \$16 [non-member] \$9 [SMM member, *please write member # on check*]

Send check [payable to Nancy Sand] by June 1 to:

ULLRS ENJOYED "STEEL MAGNOLIAS"

By Sally Chevalier

Sixteen ULLRs went to the newly remodeled Old Log Theatre on April 6. We saw a marvelous production of "Steel Magnolias." The six actresses were every bit as good as those who appeared in the movie version of this story. After the play we enjoyed a delicious meal at Maynard's Restaurant. We were seated at a lakeside table with a view of frozen Lake Minnetonka. 🦋

LETTER FROM THE PRESIDENT

By Karen Gray

What's next for ULLRs? We are still 256 strong. We have been a club for over sixty years, but we never act our age. Skiing brought us together originally, and now that we are more distinguished and diversified, how will we remain engaged, active, happy, healthy and prepared for the present and future challenges of our aging club?

Obviously, the first order of business for the new board, with the help and support of the club, is to face reality in determining the best ways to get our finances in order. We welcome all suggestions.

The thing I have always loved about skiers is that we love to experience life, and we live life to the fullest. So quick, before they close the lid, how can the bonds we have formed in our club contribute to our quality of life? Skiing, biking, hiking, snow shoeing and golf are still popular but may be less so as time goes on. How else can we be active together?

I've been gathering ideas for "making happy" together from a variety of people: Bird watching, walking club, more field trips, festivals, yoga classes, line dancing classes, acting classes, weight control group, more music concerts, more theater groups, attending speaker series, travel club, more volunteering [like Toys for Tots], cooking classes, nutrition, gardening, gourmet groups, knitting/hand crafts/art groups, game nights for all, musicians groups, dance club, more book clubs, discussion groups, sessions on such important topics as "Advance Directives," etc. 3rd Tuesday ULLR Bridge is successful, and it's good for the brain. ULLR's Last Thursday Happy Hour is attracting a fun group. There are many more ULLRs with skills and talents to share. Let's hear from you. Let's recycle ourselves and strengthen our ULLR community. ↗

LAKE COMO HIKE

By Mary Ellen Goriesky

On April 26th, nine ULLRs enjoyed the beautiful Saturday that the weatherman gave us. We started out by walking 2 miles around Lake Como admiring the many large, older homes surrounding the lake. We followed our walk with lunch at the Black Bear Restaurant in the beautiful Lakeside Pavilion as we listened to the Saturday morning jam session. We proceeded to the Conservatory and the zoo enjoying the beautiful and colorful hydrangeas and the many varieties of lilies. The monkeys were entertaining and the stately giraffes elegant. Did you know the American Buffalo can reach speeds up to 35 miles an hour? 🐾

MSC NEWS

Thanks, Marcia Switenki, for your article about the ULLR Ski, Bike & Social Club in the *MSC Midwest Sportster* newspaper, published by the Midwest Sport/Ski Council. It is always good to let others know how active our club is. The MSC needs volunteers for its Board. This is a valuable organization for our local clubs. ULLR was one of its founding members in 1963. Talk to the current MSC

president and ULLR member, Jerry Schuster, 952-888-0860, to find out how you [yes, YOU] can help to keep the MSC serving our Midwest clubs.

From its website, www.midwestfun.org, "By cooperatively working together, with year-round activities, members of today's MSC Clubs are enjoying more activities, staying healthier and continuing to benefit from the savings found when participating together in group events." 🐾

FOUNDATION NEWS

By Jerry Weiskopf

Thanks to everyone for your support of the bingo raffle at the April General Meeting. The amount we raised was very impressive. We had a special guest, Mother Superior [AKA Jan Cady.] She auctioned off a bottle of Blue Nun wine and a bottle of ULLR schnapps. A big thanks to Jim for opening his wallet so wide, and Mother Superior for a superb show of amazement at Jim's generosity! She was overwhelmed! It was great fun. The Foundation will have another raffle at What's Cookin' on June 25. 🐾

BIKING, BRATWURST & BEER

Join ULLRs at the Germanic American Institute, 301 Summit Avenue, St. Paul, for Deutsche Tage [German Days].

A dance troupe from the Milwaukee area will do old, traditional dances from the Pomeranian Region. From 1653 on, this province [where Manfred was born] was part of Prussia/Germany. In 1945, following World War II, the province was divided at the Oder- Neisse Line. Germans who were expelled, evacuated or who migrated totaled over 8 million. The larger, eastern area is now a part of Poland. These costumed dancers and musicians are keeping alive the traditions of this former German province.

Date: Saturday, June 14, 2014

Bikers: meet there at 10:30 AM for a 20 mile ride down Summit Avenue and by the Mississippi River. **[Helmets are required.]**

Non-Bikers: meet at the GAI at 12:30 PM for German music and dancers, bratwurst, and German Paulaner beer. **Optional:** bring your stein for a "Prost."

The ride will be led by John Stiefel and Patty Fitzgerald.
