ULLRS ENJOY A LAS VEGAS-STYLE SHOW

By Eileen Ronning

Sixty seven ULLRs and friends, plus a packed house, were treated to a fabulous Las Vegas style luncheon and concert at the KC Hall in Bloomington on Thursday, July 31, 2014.

Frank DiSalvo from Indian Wells, CA, wowed us with his impersonations of Frank Sinatra, Dean Martin, Julio Iglesias, Willie Nelson, Louis Armstrong, Elvis Presley and many more of the “greats” and their music from the Great American Songbook.

Frank, Eileen and Pat relax after the successful concert.

The show included a sing-along, a dance-along, a moving tribute to our veterans, as well as spiritual selections. And when Frank took up his guitar, he made that sing also! Two hours flew by, leaving us wanting MORE! He loved the Minnesotans for their patriotism. Mr. DiSalvo said he would consider a future return concert.

LETTER FROM THE PRESIDENT

BY KAREN GRAY

"Even if you're on the right track, you'll get run over if you just sit there." I'm constantly astonished at the number of ULLRS who are on the right track, leading an activity or joining in with enthusiasm. Let's start with Margie Deutsch, Nullr Editor of the new online only Nullr, this being the third in this format. Thank you, Margie, for all of your skills and ambition that make the Nullr a tremendous success.

Did you realize that there were over 300 people (67 ULLRS) at the unbelievably fabulous Frank DiSalvo concert organized by the unstoppable Eileen Ronning? Get ready for more listening pleasure with the Robert Robertson concert on November 7, 2014, back by popular demand. Buy your tickets early so you don't miss out.

Thanks again Alan and Charlotte for the August 16, 2014, annual bike ride and sumptuous potluck social at your utopian home on Silver Lake. You made 50+ ULLR guests very happy.

As for board business, it is certainly not boring. I think I am fortunate to be serving on the most cooperative and efficient board ever. To begin with, Mary Ellen Gabel, Executive VP, has all of her ducks in a row, and if she doesn't have every detail perfect yet, she's working it out at 4:00 AM. For the second year, she is having fun organizing the Holiday Ball, General Meetings, ULLR Social Parties and the Spring Banquet, among other things. You can be sure the records she leaves for her successor will make the job easier.

Patty Fitzgerald, Summer Program VP, has developed a very successful biking program and keeps it running smoothly for all levels of bikers. If your bike is collecting cobwebs in the garage, it's time to get on it and start moving. No bikers are left behind. I wonder if any other group has as many well attended fun picnics as we have, also organized by Patty. She surprised us with five new exciting social events coming up with Kay Sterling and various co-chairs in the driver's seat. We're seeing more volunteers!

We've had a perfect summer with picnics, golfing, biking, social and cultural events and now we're ready for an action packed fall and a warmer than last winter with Sharon Marini, Winter Program VP, blazing the trails. Shared interests are the things that bind ULLR to ULLR so form a carpooling group and join in.

Where would we be without Carol DeVore, Membership VP, who produced the new directory? Now it's time to put her to work taking your money to renew your membership. Yes, it's that time already.

Carol Bush, Treasurer, passed with flying colors the audit done by Joe Schwebel. Our books are in order, and we are on the right track. Carol also redesigned the club business cards with attracting new members in mind.

We have accurate minutes for each meeting and online business transacted in between, efficiently recorded by Judy Burich, Secretary. It is reassuring to have complete records to check back on.

Past President Advisor, Cheryl Rogers, is there for us with knowledge of past events and also new ideas.

For me, being on this board, a member of ULLRS, is doing what I like, and liking what I do. Thanks!

GRANITE PEAK, WISCONSIN

Let's go skiing! That is downhill, cross country and snowshoeing. We had a great time last year even though we were only able to ski one day, due to an impending blizzard. We are staying at the Stoney Creek Inn (same as last year) as they were so gracious and accommodating. Nancy Sand and I will be working very hard to make the weather perfect for 2 or 3 days of skiing!!! We are looking forward to seeing many of you there.

PLANNING PARTY

The ULLR Club is more than it's name. The club members try to provide activities of many types. On July 16, in the party room of the Gramercy Club (courtesy of Nancy Sand), 23 ULLRs met to plan outdoor events for the fall and winter. Sixteen members offered to lead one or more of the 37 planned activities through next April. They now invite ULLRs and their friends to come out and enjoy these outings. After finishing the pot-luck supper, Nancy led a smaller group on a brisk 3-mile hike around close-by Early Lake.

Recalling Past Events

A sincere thanks to these ULLRs who organized and/or led an event in September. VOLUNTEER! Call a program coordinator with your idea.

Editor's Note

Just think about how nice it would have been to have photos of the Silver Lake Social—or any ULLR event. Think about taking a camera with you. However not all cameras are alike. Many folks are using their cell phone to take photos. Unfortunately, many of these do not have enough pixels to make a sharp, reproducible quality picture.

The speaker is from Majestic Hills Ranch, which provides healing horseback riding for children, young adults, and veterans. "Horseback riding for the disabled is recognized as one of the more progressive forms of therapy. The ability to control a horse as well as one's own body inspires self-confidence, responsibility and teamwork. Best of all, it is a thoroughly enjoyable experience, which creates a special relationship between rider and horse and

promotes personal challenge. From the beginning, riders learn balance, coordination and self-assurance while receiving therapeutic muscle stimulation. As a result of lessons, poise, posture, strength and flexibility improve."
