Minnesota River Bottoms Hike

By John Vogt

Six hardy souls ventured out into the wilds of the primordial frozen tundra on Tuesday, February 9, weathering a 10° temperature along the river bottom of the Minnesota Valley Wildlife Refuge. Wildlife were in abundance as we watched a coyote slink across the ice of the large back-water swamp, perhaps looking for a snack around the open water of a beaver lodge. No beavers or kits, but recent evidence of some serious tree gnawing. After our snowshoe hike, lunch was served by "Dave" at Famous Dave's Barbeque, and all returned home for naps.

Snowshoeing in the Park

On February 17, six Ullrs went snowshoeing on a beautiful sunny day in Silverwood Park in St. Anthony. We wandered among the sculptures, enjoying a frozen solar tree trunk, teepees made out of sticks, a teeter-totter, an eagle made out of many parts including skis, shovels, crutches, etc., and we explored a small island. After enjoying an hour and a half of snowshoeing we had lunch at Applebee's.

LETTER FROM THE PRESIDENT

by Patty Fitzgerald

Hi fellow Ullrs,

This year the Spring Banquet will be on Saturday, April 30th. Information is on page 1 in this Nullr. Because we are celebrating 65 years, the board decided to subsidize the cost of this event. **For only \$25** you can enjoy a wonderful meal, this year's recognition awards ceremony, and dancing to the *American Flyer Band*. We are planning many circle dances to include singles and couples so all can enjoy a wonderful evening with our ULLR friends. **Please sign up today!** We hope to have as many ULLR members at this event as possible.

Since the weather has been so warm this winter, I have been enjoying walking around my neighborhood whenever I can. I see the birds and hear them singing, the squirrels are running around like crazy, and in my neighborhood there is an occasional wild turkey, deer or even an eagle. I feel the hope that spring brings, and I am very thankful for the longer days. I am anxious to be able to bike again with my ULLR friends.

I want to thank the people that have come forward to serve on our next board. It is a challenge to fill all of the positions, and the committee worked hard to fill the positions. Without volunteers our club would not be as vibrant as it is. When you see Board members, please thank them for their service.

March 31st is the deadline to submit a plan for a trip or event.

**WESTERN SKI TRIP OR WARM WEATHER GETAWAY
PROPOSAL GUIDELINES FOR 2016-2017**

ULLR Ski, Bike and Social Club has great trips for members who love to ski in the mountains or have a spring, summer or fall adventure trip. Each April our members present trip proposals for the following year. If you have had experience running an ULLR club event and have an idea for a trip, please prepare a proposal for presentation to the Board. It is fun to do, and you will have lots of help along the way to make your event a success.

Brief guidelines on how to prepare a trip proposal are viewable or downloadable at:

A Walk down the ULLR Memory Lane as reported in April Nullrs

by Margie Deutsch

2001: The Spring Banquet at the Thunderbird Hotel was advertised by co-chairs, **Dianne & Don Salmela** and **Colleen Barden**.

Lorna Berglund (Higgins), Sigrid Ruhland (Mellby) and **Ron Habeck**, were 3 of the 43 skiers from 5 different ski clubs in 4 different states that skied at Val d'Isere in the French Alps. Skiers said it was one of the most beautiful ski areas in the world.

Jerry & Jan Swanberg hosted an Hors d'oeuvres Party with "Norwegian smoked salmon"

before a JAZZMN Big Band Concert.

The Green Gables Inn, motel for the recent Lanesboro biking trips, was advertised as the accommodation in August for 12 kayakers to do a 14-mile paddle on the Root River. **Mary Holisak** and **Joe Schwebel** were quick to sign up for this Paddle & Peddle Weekend.

Larry Miller and **Carolyn Buswell** were two of the cross-country skiers Feb. 2-4 in the "winter wonderland of ice and snow laden trees" by Haywood, Wisconsin. They covered about 6 miles of "woody, hilly trails." [That was a work-out!]

2002: **Lolly Dahlen** advertised custom embroidered turtlenecks, sweatshirts, polos, tees, and caps with the ULLR name and/or logo. A portion of the purchase price went to the Foundation. (Would it be nice if this were again available?)

Mike Moss wrote about the Foundation's newest gift, a hand-powered, adaptive tricycle to be used by students in the special education department at Humboldt High School. Those teens got a good upper-body workout while cruising the school halls.

Bill and **Mary Elsholtz** were going to host a gourmet dinner at their home in July to benefit the Foundation. On the Nullr "Back Page" was a photo of newlyweds, **Butch and Michelle (Morgan) Larkin** on their honeymoon in Hawaii.

ULLR President, **Gloria Dombrock**, wrote that a new Nullr editor was needed. If the work was "shopped out, membership dues would probably be raised to \$40 a year." **Joyce Crozier** was looking for someone to replace her as she had been the Nullr editor for 2 years, taking over from **Lorri Christensen**. (A new editor began with the June 2002 issue.)

Goodness sakes, **Margie Deutsch** has been editor since the September 2011 issue!

Recalling February

A sincere thanks to these Ullrs who organized and/or led an event. What will you plan?

Jan Butler (returning) for

Membership VP

Joining ULLR, now my second family, in 1979 was one of the best decisions I've ever made. I have been Membership VP this past year. It is time to grow our member-

ship! New members bring talent, energy and new ideas. Thank you to the recent new members who have revitalized old activities and invented new ones. I was a teacher in the 60's, a mother in the 70's and the 80's brought a return to school for a 16 year career in computer programming, analysis and software design. Being open to new ideas, always moving forward, enjoying lots of travel, and friends who think the same, this is what I think of as being an ULLR.

Meet the Proposed Slate of ULLR Officers for 2016-2017

Election of officers for the ULLR Ski, Bike, and Social Club will take place during the Annual Meeting, Thursday, April 14, 2016, at the Bloomington K.C. Hall.

Pictured are the candidates. The current President, Patty Fitzgerald, automatically assumes the position of Past President Advisor and becomes a Lifetime Honorary Member of the Club.

Patty Fitzgerald

James Habeck for President

I have been an ULLR member for decades. I retired about 16 years ago. I joined the club when we met at the Ramada on 494. At that time we had over 1200 members. During that time I co-chaired some local 1-day bus trips to Trollhaugen, Welch, etc. I have run weekend ski trips, western trips, and a cruise to Alaska. I have been both an Alpine and Nordic Coordinator. I served on the board for 2 years as the Ski program VP a few years back. I am now the Summer Programs VP.

Barb Sedges (returning) for Treasurer

If elected, this will be my 4th year as Treasurer of ULLR Ski Club. I served two previous 1-year terms in the 80's and 90's. Some think it is a tough job, but when you are a numbers person, it's a piece of cake. I have been a member of ULLR Ski Club since the late 80's and have made some wonderful friends. Last summer I also collected cash at our summer picnics and will continue to do this, but I need a helper.

Mary Jane Hochstein (returning) for

Executive VP

I joined ULLR in 1996 and have participated in many club activities over the years including a year on the Board as Secretary. I have had the privilege of serving on the Board this year as the Executive VP. It has been an interesting and rewarding year of learning this role, facing a few challenges, trying new ideas and of course working with and for this wonderful group of people. I enjoyed it so much I am looking forward to another term as your Executive VP and the opportunity to keep us actively engaged with each other and the community we live in.

Mary Ellen Goriesky for Summer VP

I have been a member of ULLR for approximately ten years and was the Secretary under the leadership of Marty Wilkes and the Summer VP in 2012 and 2013. My favorite activities are golfing, biking, walking, theatre, and recently bridge. The summer picnics are a favorite activity for all ULLRs. I am looking forward to working with the 2016-2017 ULLR Board.

Karen Holmquist for Winter VP

I am seeking to serve as Ski VP. I have been in this position at least one other time, maybe two, short memory. This will be my fifth time serving on the ULLR Board of Directors. I have also been Membership VP back in the days when few people had personal computers, and membership was over 1,000. Not an easy task! I have also served as President in 1989, and Past President Advisor twice. I have been enjoying ULLR activities since 1984. I have chaired numerous, local and western ski trips, as well as, warm weather, social, and biking outings. It is wonderful to belong to an organization that continues to be so active, and offers so many wonderful activities to its members.

← A nominee is also on page 4

Sandra Shearer (returning) for Secretary

I have been a member of ULLR ski club for many years, was the club Secretary several years ago and have just finished a year as secretary. I enjoy being able to attend events and be more involved.

17 ULLRS ENJOYED FRESH SNOW IN WISCONSIN by Nancy Sand

Seventeen ULLR snow enthusiasts drove to Wausau for 3 days of winter fun. With blizzard warnings for February 2, Tuesday afternoon and night of our driving day, the trip co-chairs (Diane E. and Nancy S.) encouraged people to leave home early. Thus fifteen drove on dry pavement and arrived safely in Wausau around noon. Our two first-time participants who came later that evening (Tom N. and Dave R.) had a much slower drive, but they also arrived safely.

Several planned to cross-country or snowshoe after lunch on Tuesday at the Nine Mile Forest Recreation Area. By then the scene was very snowy and windy, but the group was looking forward to some outdoor time. However, Nine Mile was closed because of blizzard warnings, and we decided the hot tub at our Stoney Creek Hotel sounded like a good alternative.

Tuesday evening we gathered at the Hotel for a pizza welcome party and talked about plans for the next couple of days. After pizza, the snow and wind had lessened, so several went for a walk. Barb K., Nancy S., and Patty F. even paused along the way to make snow angels!

The blizzard on Tuesday provided lots of fresh snow for us

on Wednesday. Downhill skiers at Granite Peak were challenged, as GP has a policy of less grooming for the first day with lots of snow. A few of our skiers headed directly for the moguls. The rest of us tried to remember how to ski powder.

Our cross-country and snowshoe people also enjoyed fresh snow at Nile Mile on Wednesday. Not all of the trails were groomed there either, so those ULLR women had to walk and ski through several inches of powder. That evening we had a group dinner at the Great Dane restaurant.

On Thursday a few left early for home. The rest of us went back to Granite Peak with sun and fresh groomed powder. We were very happy skiers and quickly scattered around the mountain to find our favorite runs. While at the ticket booth that morning, we learned that skiers 80+ years of age ski free at Granite Peak. We even negotiated refunds for two of our skiers for the previous day. So, Ullrs need to keep skiing! Eventually you will be able to ski free!

We had a great time. We socialized. The blizzard brought fresh snow. Everyone arrived and got back home safely. And now we look forward to other remaining ULLR winter outdoor events.

Back: John V, Wayne J, Karen H, John S, Dave R, Jerry S, Tom N
Middle: Patty F, Mary Ellen G, Joella W, Sharon M, Judy B, Barb K, Karen H
Kneeling: Nancy S, Diane E, Ken M

Whether making snow angels, skiing, both downhill and cross country, or snowshoeing, this group of Ullrs knew how to have fun! Thanks to trip leaders, (in front) Nancy Sand and Diane Erlandson.
