Ullrs at Whitefish continued on, sometimes under difficult conditions.

I read the letter in the May 1998 issue by the President, Skip Skinner. This was his last letter as his year-long term was ending. He wrote about change. The club’s treasury was declining. He wrote: “Dances for the past 2-3 years have lost money. The Nullr has always cost a sizable amount. Trips have gotten increasingly expensive with fewer people involved, and it’s even hard to get people out for a special occasion any more.

There are a number of constants that I hope will never change. I’m constantly amazed at the number of people who volunteer their time, talents, and homes for our myriad gatherings. The ULLR spirit and tradition says ‘I’ll help out.’ Hopefully that will carry on into the future.”

Thanks to everyone this past year who kept the spirit alive.

LETTER FROM THE PRESIDENT

By Joan Roe

I can't believe I'm already coming to the end of my time as President. It's been so enjoyable and satisfying working with such capable, interesting, and dedicated women. A big thank you to Jan, Nancy, Carol, Linda, Mary, Pat and Mary Jane for giving their time and talents to serve all ULLR members.

Welcome to the new Board under the helm of Sharon Marini, many of whom are staying on for a second year, and the others have been Board members in the past. Thank you for stepping up! This keeps us going! Just think our 70th Anniversary is in 2020!

What a wealth of knowledge Jerry Swanberg has about Jazz and bands in the Twin Cities, and how fortunate we are he shared that with us at the March General Meeting. I had no idea there were two hundred bands to entertain us and how much goes on right here in the BEC (affectionately known as the KC Hall). Thank you, Jerry and Janice.

The Directory Update in May will be sent via email. Be sure to print it! This is your updated reference, listing all those holding positions and working for the good of our club for the following year. It is important to print the monthly member updates also. The full directory is published once a year in December.

The **Spring Banquet** is coming up on May 18. This is your awards night when we celebrate and appreciate all who make us such a great club. We may not have the attendance we once enjoyed, but how many clubs have 200 long-standing members! Come to enjoy friendships, a good dinner, and music. No dance partner, no problem having fun anyway! You don't want to miss Ken Marini as Emcee again this year! As Diane Erlandson said, "I wouldn't think of not being part of the awards ceremony. This is my club! It means a lot!" We would like to see all members enjoy this fun night!

We're all looking forward to summer and seeing our "snowbirds" again! Get your bike tuned up and come on out! Sign up for social offerings. Enjoy the picnics and being an ULLR with all it has to offer!

The ULLRNET

The ULLRnet was created as a way to receive messages of a personal nature about current and past members. If you wish to receive or post information, please send an email message to ullrnet@ullr.org Notices must have the permission of the person for whom it is written.

A Walk down the ULLR Memory Lane as reported in the May 1998 Nullr.

by Margie Deutsch

*The report from the Big Mountain ski trip led by **Barb Carpenter** and **Joe Fischenich** included these comments for which you wanted more details. First time ULLR western skiers **Berit Christensen (Roberts)** was an excellent snowmobiler, but **Tom Roberts** was a better pilot than a snowmobile driver. There was much time spent in the Bierstube where there was an upside-down trapeze piano player. **Nancy Kastner** had details about that.

*At a March 1st ski day at Trollhaugen, **Sunny Zenk** won a leader of the pack, sparkly Rudolph nose for being the fastest skier. **Mike Moss** was cited for having the most trouble getting on a chair lift. He was given a special pair of glasses to "help him see the light."

***Wally Krake** and **Joyce Ingalls (Krake)** led the ULLR Bridge card-playing group. Each month there were 7 tables. The first 28 Ullrs who reserved with Wally got to play bridge.

***Diane** and **Marlin (Erl) Erlandson** were the chairs for Wimp Camping in June.

*Leading the 5th annual Chocolate Lovers Ride were **Linda Heintz** and **Karen Holmquist**. They would also lead a bike ride in August in the Duluth area.

*The 1998 ULLR summer program included 6 Wednesdays when you could go to the Lake Calhoun paths to bike, walk, rollerblade, and/or socialize at Al's.

*Due to lack of snow, on March 7th, 26 fun-loving, flexible Ullrs had a Welch-Treasure Island week-end without skiing. They packed an overnight bag instead of 3 big bags, slept late and then boarded an 11:00 AM bus (not 8 AM), sat in a casino chair, not a chair lift, wore a swim suit instead of a ski suit, had lunch at the Harbor Bar on the Mississippi river instead of the Welch chalet, and had no injuries— except maybe to the wallet. The creative problem-solving leaders were **Wally Krake** and **Joyce Ingalls (Krake)**.

No matter what, Ullrs know how to have fun!

Share this newsletter with friends. Invite them to join Ullrs!
