ULLRS ALMOST SKI AT BIG SKY by Nancy Sand

This story begins in spring of 2019 when the ULLR Club approved a western ski trip to Big Sky for March 2020. Soon ULLR members began submitting their first payments to reserve a spot on the trip. They were joined by five new members: Mike N, Galen V, Lynn S, Steve H, and Rick H. The eventual number of participants was 36.

Trip Co-Chairs Sharon M. and Nancy S. were excited about the number of participants. A pre-trip party was held in early January. Sharon and Nancy offered an optional excursion to Bozeman Hot Springs one evening. Twenty-one Ullrs planned to soak sore ski muscles in 13 hot pools. Plans continued to evolve for a Welcome Pizza party at Huntley Lodge when Ullrs with March birthdays would be recognized with cupcakes and candles. Our on-site Big Sky representative, a former Minnesotan, accepted an invitation to visit us at our group dinner at Chet's Bar and

Grill at the Lodge. We were going to present her with an ULLR bandana.

Trip Co-Chair Nancy had skied Big Sky the immediate previous week with her family, had scouted the best runs over the area, and was anxious to share her experiences, including a recommendation to snow-shoe on the ULLR Trail at Lone Mountain Ranch.

But then some members had family health issues and others began to have COVID-19 concerns about traveling. At the time of our March 15th departure, 24 Ullrs planned to be on the trip with five driving to our destination. When we boarded the plane, we were aware that some ski resorts had closed, but Big Sky was open! So, at 9:06 AM off we went into the wild blue yonder with expectations of being able to have our ski week at Big Sky.

LETTER FROM THE PRESIDENT

by Sharon Marini

Hi Ullrs,

As you read this article many things have changed, often very quickly, in these uncertain times as the Covid-19 virus is in our midst. What I do know is this:

May will soon be here, a month of flowers. We welcome warm weather and more sunshine and daylight. Biking season begins and hikes continue. Just space yourselves. The Board and JJ, our ULLR Webmaster, will continue to keep you informed of upcoming cancellations for activities and events.

We are so fortunate to have clean water, electricity, air conditioning and heat, and beautiful parks. But I have a little problem, my hair keeps growing! My seeds have sprouted and are ready to be planted outside. It will be good to be working in the yard.

I miss you all. Stay safe and keep well.

And don't forget to wash, wash, wash your hands!!

Some fun facts about May: May is named for Maia, the Greek goddess of fertility. May was once considered a bad month to get married. May's birthstone is emerald which is emblematic of love and success. Some famous birthdays in May include Bing Crosby, Audrey Hepburn, Florence Nightingale, George Clooney, Tim McGraw and Benjamin Spock.

Events that happened in May:

1519, Captain John Smith landed at Jamestown

1527, the army of the Holy Roman Empire sacked Rome

1792, the New York Stock Exchange was established

1866, issuance of the nickel coin was authorized by Congress

1873, 1st United States Postal card was issued

1915, Babe Ruth hit his first home run as a player for the Red Sox

1921, West Virginia imposed the first state income tax

If you have an idea for a trip, please prepare a proposal to present to the Board. We haven't had a warm weather trip in years. It would be nice to see a proposal this year. A Walk down the ULLR Memory Lane as reported in the May 1981 Nullr.

by Margie Deutsch

President Doug Anders wrote that traditionally 240 Ullrs on 6 full buses went on weekend ski trips. The past season eight trips were planned, but two, Sugar Hills and Spirit Mountain, were cancelled due to lack of snow. Planned trips for the 1981-82 season were to Mazatlan, Mexico, Salt Lake City, Aspen, and Big Mountain (via Amtrak). The spring new member party was held for the 140 new members. (Another party would occur in the fall).

Secretary **Barb Carpenter** said the Board agreed to have the auction profits go to the ULLR Outreach Program (today's Foundation). In total, from the auction, raffles, and beverage sales at the volleyball games, ULLR donated \$2,700. In addition, \$4,125

was raised from local businesses, and Total Sports donated ski equipment valued at over \$5,000 for the Ski-For-Light program. Barb said, "Being on the quiet side, [being on the board] forced me to be more outgoing, therefore allowing me to meet people and make new friends." (Barb joined ULLR in 1976).

A long article featured ULLR skier extraordinaire, Jimmy Johnston. Beginning in 1955 he spearheaded a program for certification for all ski instructors. In 1968, he was the director of "Inter-Ski" at Vail. "Hand picked ski teams representing the various ski countries of the world assembled every three years to demonstrate their techniques. World-wide, this is one of skiing's most dramatic events."

Jan Butler was elected to the ULLR board for 1981-82. **40 years ago, Ullrs were many and VERY active!**

Coming soon: What's Cookin' Picnics!

What's Cookin' Picnics are held in Brookview Park on Highway 55 and Winnetka Avenue in Golden Valley. (See the map in the directory.)

Picnics start at 5 PM with food served at 6 PM.

Invite your friends. Come and join the fun. The picnics are the best attended ULLR events. The meal ends with delicious desserts made and/or served by the Foundation. In return, the Foundation receives \$.75 per person.

Cost: \$10.00 (meal, dessert, and 2 beverages)

Non-meal prices are:

\$4.00 for 2 beverages, (includes rental & permit)

\$1.00 for each beverage over 2

\$.75 for extra dessert (to the Foundation)

\$3.00 attendance only (for the shelter rental & permit)

Co-ed Indoor volleyball in Robbinsdale had two leagues playing on Tuesday and Wednesday evenings. Ullrs had seven teams playing. It was the third year for one team. It had an outstanding 32-2 record in matches and an overall game win loss of 133-14-2. Over 100 Ullrs attended a Volleyball party in a junior high school gym, then went to an apartment party room and made merry until 1:30 AM! (*Today ULLR parties end by 11:00 PM— but even then half of the attendees have gone home*).

There were two kittenball leagues with 30+ Ullrs playing. (Kitten ball is slow pitch softball). Advertised was a June Sunday of roller skating around Lakes Calhoun, Harriet, and Lake of the Isles.

Recalling March 2020

A sincere thanks to these ULLRs who planned, organized / led an event.

ULLRS ALMOST SKI AT BIG SKY—cont. from p. 1

Alas, that did not happen. We landed in Bozeman at 10:38 AM. By the time we deplaned, we knew Big Sky was closing, but our spirits were briefly lifted when we were greeted by Nancy's smiling family with a sign saying, "Welcome Grandma's Ski Group."

We learned new information that no additional people would be allowed to check in at the Resort. Trip Co-Chairs Sharon and Nancy immediately notified those who were driving, initiated conversations with our tour company and Big Sky, and cancelled several events. Ullrs retrieved their luggage and hunkered down to wait for what was going to happen.

We were surprised to see an ULLR Race Team member waiting for our same flight. We gathered the four new members for a photo and posed three birthday Ullrs for a photo. Trip Co-Chairs Sharon and Nancy found a bison sculpture, and Ken volunteered to be the photographer. We had expected our trip photos would be of Ullrs in ski gear with beautiful snowy mountain scenes in the background! (Alas.)

At the airport, Ullrs were on their phones with friends and families, had lunch, and waited to hear if we

could get seats on a flight later in the afternoon to return to Minnesota. Our tour company made that happen, and Delta did not charge their normal fees for any of our extra bags.

So, this year's Big Sky trip will not be memorable for excellent skiing, but for the skiing that never happened. How many skiers do you know who fly to Bozeman for lunch at the Bozeman airport and return home the same day? How many skiers return home with a suitcase full of clean clothes that were never unpacked and don't need to be washed? How many ULLR ski trips end with no one who fell or with absolutely no one hurt or sick?

But the best is that our Ullrs accepted the circumstances with patience and understanding. Their acceptance of the circumstances was amazing and a true example of the kindness and thoughtfulness of people who choose to belong to our ULLR Club.

Will there be a future trip to Big Sky? We hope so!

New ULLR members didn't have the opportunity to tie their new ULLR scarf around their legs. Next time! They are (l-r) Mike N, Lynn S, Steve H, and Rick H.

No bull about it, Big Sky trip leaders Sharon M and Nancy S probably led the only no-ski ski trip in the 70 years of ULLR history! The anticipated beautiful snowy mountain scenes were outside. I am sure the Ullrs would have skied, keeping 6 feet apart from one another. So sad to miss it all. Ah- but there is next year!
