ULLRS RESUME GENERAL MEETINGS by Nancy Sand

On April 8, 2021, forty-nine Ullrs were absolutely delighted to be together at the first ULLR General Meeting in over a year since March 12, 2020. What a happy group! Smiles were everywhere! [Even if they were hidden under masks.]

For over a year the COVID-19 pandemic thwarted our desires to resume our meetings and picnics. During this past winter Ullrs gathered a few times outdoors for hikes, snowshoeing, and skiing. Now biking and spring hikes are being added to our list of ULLR activities, and we have a full slate of 2021 summer What's Cookin' picnics scheduled. Since biking, hiking, and picnics are all outdoor activities, we hope to not see any further restrictions that would prevent us from holding these events.

Our April 8th General Meeting at the Bloomington Event Center was held in the upstairs restaurant area. It was a nice place for our group. We began with a lively social hour after which ULLR President Sharon M. called the group to order. This was Sharon's last meeting as President, and we thank her for her leadership these past two years. Event hosts and chairs announced forthcoming ULLR activities and encouraged participation.

Mary Jane H. introduced the Ullrs who were nominated for the 2021-22 ULLR Board. She also thanked current Board members who chose not to run again. The new board was elected by unanimous vote. Their terms began May 1, 2021 and end April 30, 2022.

After the election, Joan R. was happy to facilitate the 2020 ULLR awards that ordinarily would have been given last spring. They were:

- Jan S. received the "And the Beat Goes On" OLE award from Barb K.
- Jan C. received the "Mother Superior" OLE award from Carol B.
- Sharon M. received the "You Can Do It" Outgoing President award from Joan R.
- Nancy N. received the 2020 ULLR of the Year award from Mary Jane H.

Congratulations to our 2020 ULLR awardees!

And then the socializing resumed! It was a great evening!

LETTER FROM THE PRESIDENT

by Janice Swanberg

Hi Ullrs,

First, I would like to thank the OLE committee and Barb K for an OLE award, "The Beat Goes On," presented to me at the April 8th General Meeting. It was in recognition of the various ULLR Board positions I've held over the years, and now, "goes on" to role of President. I also need to thank both former president Sharon M and past President Joan R for serving two years and for their encouragement to overcome my fears. I've been an ULLR for 33 years enjoying many ski, bike, hiking and social events, so I am honored to serve in this position. I and the new Board look forward to your ideas and volunteerism.

With the new vaccines now containing the spread of COVID-19, Ullrs have rescheduled two events for this summer - Nisswa "Good Ol' Day's" June 1-4, and the annual bike trip to Lanesboro August 23- 26. In 2020 the biking group began suggesting to members the option to join them for lunch (bring your own) following certain bike rides. They will again post this opportunity in the e-mailed ULLR weekly event announcement for those bike rides when there are other options for non-bikers to do prior to and/or after a predicted lunch time. *[A nice opportunity to be with ULLR friends. See p. 8. -Margie]*

Rescheduled from last year is the ULLR 70th +1 Anniversary "For Old Times Sake" Celebration on Sunday, August 29. The Program Committee has created a fun review of the past seven decades of ULLR activity. We hope to see many current and past members reconnecting at this big event. It will take place at the Minnesota Valley Country Club, a beautiful venue where we have held many ULLR Banquets.

The new and old Board met April 12th to approve a re-scheduled trip to Big Sky Montana for March 13 - 19, 2022. There is room for 36 - 42 skiers, so sign up soon as there is much interest in skiing out West. Also coming up is the Winter Planning party scheduled for July 11. Please consider planning a hiking/snowshoe or ski day event. A side note regarding hiking - I recently read about a study that concluded brisk walking helps to improve brain functions.

The good news on May 7, eliminating masks for groups under 500 in Minnesota when outdoors, was what we were hoping for. Now we can enjoy What's Cookin' picnics and be more relaxed. I look forward to reconnecting with many of you this summer. Stay healthy and active.

YOU are being asked to plan an activity for this spring and/or summer that Ullrs may safely do. Masks are now not required for outside activities, and when 70 % receive their COVID-19 vaccine, the mandate for indoor mask wearing will be eliminated. There ARE fun things to do!! One idea is the Loring Park Arts Festival July 31-Aug. 1. Another is Can Can Wonderland arcade games and mini-golf. Many more events and places will be opening up. Call or e-mail Pat Nelson, the Summer VP, with your ideas.

2020 OLE AWARDS - Joan Roe

Pretend that it is May 2020 and Ullrs are gathered at the MN Valley Country Club for the Annual Awards Banquet and the Ole Awards and Ullr of the Year are being announced to honor those worthy of recognition. Fast forward after a year of Covid19 pandemic to April 2021 and being at the first Ullr general meeting at the BEC in over a year, with fifty people in attendance.

The first Ole "And the Beat Goes on..." was awarded to Jan Swanberg for her heartfelt dedication as Executive VP for two years, one year as Secretary, and now accepting the position of President! Jan's dedication is heart-felt and her effort is tireless. With much gratitude to Jan for giving her all!

Barb K and Janice Swanberg

Jan Cady and Carol Bush

The second Ole "Mother Superior" was awarded to Jan Cady, who has served as Ullr Foundation President for almost five years. Jan has brought smiles to Ullrs' faces many times over the years. Leading a human slalom down the slope with her Mother Superior habit flying in the breeze was hilarious! And how much she has delighted us getting bids for a bottle of Blue Nun wine! Well deserved kudos to Jan!

The third Ole "You Can Do It" went to Sharon Marini for her endless contributions to the club in many roles, most recently serving two years as President, ever since joining the club about twenty years ago. Not only can she do it, but she convinces you that you can do whatever she is asking you to do! Much appreciation to Sharon!

The 2020 ULLR of the Year Award

Mary Jane Hochstein wrote this about Nancy Navis.

Mary Jane Hochstein and Nancy Navis

The ULLR of the Year award is to honor the ULLR member for outstanding service to the ULLR Ski, Bike and Social Club. You know that it takes not only the willingness to participate, but to step up and be a leader for the continued life and vitality of the club. 2020's recipient is no exception.

This ULLR, a tad on the younger side, is fit, athletic and embraces the outdoors. Whether skiing, hiking or biking this ULLR is all in. The role of leader, which involves an idea, planning and executing, has seen this ULLR as:

Organized, enthusiastic, a real go getter;
Overseeing biking at Lilydale, Big River, and around the Capitol;
Co-hosting Lanesboro, more than once;
Arranging multiple hikes, such as Schulz Lake;
and then: hosting an annual July 4th potluck BBQ.

In addition, this ULLR has served the club as: A What's Cookin' helper; A provider and dispenser of beverages for the summer picnics; A Holiday party helper;
AND Secretary on the Executive Board, taking precise notes, keeping track of time and making sure Roberts' Rules for Motions are followed. This dynamic woman is well deserving of recognition for her many contributions to Ullrs.

Tamarack Nature Center Hike - Karen Holmquist

Indecisions! Indecisions! Should we hike at Tamarack Nature Center or not on April 14? There was snow on the ground, cloudy weather, possible muddy paths and low temperatures! However, the snow melted, the sun peeked out, the paths were in pretty good shape, and the temperature was actually just fine for a three-mile hike. Thirteen ULLR members agreed, and showed up to take in some nature! Great conversations, great exercise and just great to be able to gather again!

We continued our day with a tasty lunch at the Washington Bar and Grill in White Bear Lake, a cute little part of town. Thanks to all who made the decision To Hike, instead of Not To Hike!

Central Park by Barb Kolbe

As the trees were budding and the sun was peeking through the clouds, 20 Ullrs walked and chatted as they observed the beautiful scenery at Central Park in Roseville on May 3rd. Areas seen on this walk were the lake, waterfall, baseball fields, a board-walk (with geese and turtles) and a garden area with a gazebo.

After the hike of about 3¼ miles we needed some nourishment, so we went to the VFW and had "Red's Savoy pizza", which everyone thoroughly enjoyed. Look at the pictures and you can see the "fun" we had outdoors. [More photos at www.ullr.org/images/EventsPics/2021]

ULLRS at CENTRAL PARK

We've had our 2 inoculations! We are outside. We didn't have to wear masks (but everyone had one available if needed.) Oh the joy of just being together again.

The end of COVID-19 restrictions won't end the pandemic or its impact. Guidance on the risks of infection, especially for unvaccinated people, may be to continue wearing masks in public. Don't delay! Get your shots!
