May 2022

Sharon M and Nancy S, trip leaders, are all smiles! After 3+ years of their planning, and 2 years of pandemic postponements, the 2022 ski trip to Big Sky finally happened! It was a wonderful week!

Ullrs remembered the 2020 ski trip when they flew to Bozeman and found out upon arrival that the resort had just closed due to the pandemic. They had to turn around and fly back home. Co-Chairs Nancy S and Sharon M saw smiles on the faces of 42 Ullrs who came on the 2022 trip to Big Sky. Thirty-two Ullrs flew, and ten drove.

Travel weather and conditions allowed everyone to arrive safely and get back home again. Our week began with a pizza party the evening of our arrival on March 13. Big Sky Resort greeted us with gift bags of treats and beverages. ULLR Mick G told the group about his experiences in 1970 helping build Huntley Lodge, and Dave S talked about skiing at Big Sky in the mid-1970's.

Big Sky Resort owes much to Chet Huntley, an American television newscaster, best known for co-anchoring NBC's evening news program, The Huntley–Brinkley Report. He was born in Cardwell, Montana. He envisioned the original ski resort in 1968.

LETTER FROM THE PRESIDENT

by Janice Swanberg

This is my last article, as May 1st the new ULLR Board takes over with two new members, **President Linda Heintz** and **Secretary Jan Farber**. They join the six current Board members who are remaining for another year.

These remaining Board members deserve a big "thank you" for their efforts to support the ULLR Ski, Bike & Social Club - now celebrating its 72nd year. And, thank you to Vicki J. and Sharon M. who will be leaving the Board.

This past month of March we had an opportunity to see the Russian Museum with fellow Ullrs. I and five others attended, including new member Katherine. We enjoyed the wonderful art compositions of Russian and Ukrainian painters. Thanks to Vicki J for planning this outing. Finally, 42 Ullrs enjoyed skiing at Big Sky, Montana, in mid-March after two years of pandemic cancellations. Thanks to Nancy S and Sharon M! The March 24th General Meeting presented an interesting history talk about the formation of the USA state borders by speaker, Lynn Garthwaite. I believe her books, which she had brought, were sold out. We also enjoyed birthday cake in celebration of Diane E's 90th birthday.

The summer schedule of events for ULLR members is planned and, hopefully, we will have better weather for all the outdoor activities than what was experienced much of this past winter. In April we have hikes planned for April 20 (Lake Vadnais) and April 29 (Stillwater Bridge). Thanks to John S. and Patty F., the biking schedule is published (on page 9) and lists many interesting ride locations. Thank you to all who are planning a ride. The two multi-day trips to Nisswa and Lanesboro are nearly full, but consider being on a "wait list".

The ULLR Summer What's Cookin' picnic dates at Brookview Park are scheduled with hosts lined up to coordinate the meals for the six Wednesdays. Thank you to Summer VP Pat Nelson for arranging these and to those planning the meals.

May 1st is the Mama Mia play at Minnetonka High School. The event is arranged by Sally C. The May 12th General Meeting at the BEC will feature the ULLR Foundation's Bingo and Silent Auction Fundraiser to raise money for adaptive equipment. They hope for a great turnout that includes many ULLR "snowbirds" back for the summer. Finally, don't forget to come and celebrate at the 72nd Annual Spring and Awards Banquet on Saturday, May 21.

Make sure to review the Nullr and Website www.ullr.org for details to help with planning your summer calendar of things to do with Ullrs. A big "Thank you" goes to our editor Margie D and to webmaster Joe C (JJ) who do a great job to keep you informed.

May you all have a great summer season, and thanks for your support

Big Sky—continued from page 1

He and his wife, Tippy, founded the Big Sky Resort, opening in December 1973. Big Sky is now the second largest ski area in the U.S. and third largest in North America. Today Big Sky has 36 main lifts with over 300 runs that cover 5,850 acres with a 4,350-foot vertical drop. It is huge, and our Ullrs did their best to ski all of it – except the double and triple blacks!

We stayed at Huntley Lodge which is at the Mountain Village base – steps from ski lifts, shopping, and restaurants. The giant bronze bear was a favorite place to meet in the main lobby before going somewhere. Several of our ULLR skiers took advantage of storing their skis overnight at the ski valet. The free Skyline Bus took us to the Big Sky Town Center and Madison Base.

Mostly sunny skies, a day of light snow, plus warm temps provided five good ski days with a few icy patches on some of the slopes. ULLR skiers were excited to try the new blue bubble lifts with heated seats. On the first day, Nancy S guided a large group onto the moving carpet to the 6-pack Swift Current lift and down the popular well-known Mr. K green run. Others boarded the less busy 8-pack Ramcharger bubble lift or the Explorer lift. Based on her previous trips to Big Sky, Nancy offered some recommendations for which ski runs to try and how to get to them.

Over our five days of skiing, Ullrs explored the lifts and mountain runs – sometimes stopping just to admire the views and absorb the surrounding beauty. By mid-to-late afternoons, Ullrs were gathered around hotel lobby fireplaces and mountain village restaurants to share stories. In addition to skiing, Ullrs shopped, hiked in the snow, x-country skied, celebrated birthdays, and basked in

the hotel pool and hot tubs. Wherever we were and whatever we were doing, photos were taken to document our time at Big Sky. Lone Mountain peak was definitely the most photographed view!

Towards the end of our week, we all met again for a group dinner at Chet’s Bar and Grill in our hotel. We gathered for a group photo and recognized those for whom it was their first “completed” ULLR western ski trip. For the eight Ullrs who had March birthdays, we presented them with birthday candles on their desserts and sang “Happy Birthday” to them.

After our disappointing 2020 Big Sky non-ski trip and the ensuing two years of COVID precautions, Ullrs were definitely ready to experience Big Sky in 2022! Yay – We actually made it this time!
