

### How ULLR Is Evolving...

- Since ULLR Ski Club started in 1950, it grew to over 1500 members in the 1980's, and is now over 200 members. A remarkable endurance record!
- There are one or two Western ski trips annually, with many local skiing, snowshoeing and hiking winter events.
- Biking thrives with annual trips to Nisswa and Lanesboro along with many day biking events. "E-bikes" increasingly keep us biking!
- Hiking is expanding with new trails being discovered all the time.
- Social and cultural events were enjoyed prior to the COVID-19 pandemic, and hopefully will resume.
- Summer picnics are known as What's Cookin'. Volleyball continued into the 90's.
- The ULLR Foundation continues to raise funds for adaptive equipment for individuals with disabilities. It has raised about \$150,000 over the years!
- The ULLR of the Year Award has honored members' outstanding contributions to the club since 1972.
- 293 "Ole Awards" have been awarded since tracking them from 1985.

**Thank you all for contributing to and celebrating together this amazing milestone of 70+1 years history of ULLR Ski, Bike and Social Club of the Twin Cities!**

## ULLR 70<sup>th</sup> Anniversary Celebration

*"For Old Times Sake"*

Minnesota Valley Country Club  
Sunday, August 29, 2021

*70 Years*

**ULLR**

**1950-2020**

ULLR is the Norse God of Skiers. The ULLR Ski Club was organized in 1950 for the purpose of promoting skiing and providing fellowship for its members. In 2009 the name was changed to ULLR Ski, Bike and Social Club in keeping with the changing dynamic of the club. Thousands have reaped the benefits of ULLR membership over the years.

Social Hour

Dinner

Welcome Janice Swanberg and Joan Roe
