

Highlights from “Do the Door” Road Trip, October 9-13, 2023

First day of the trip 20 ULLR’s hiked Whitefish Dunes State Park in Sturgeon Bay. These are the highest dunes in Wisconsin. Then a short drive to Door County’s **Cana Lighthouse** on the shores of Lake Michigan. We rode a hay wagon over the causeway to explore the island and climb 97 steps of the tower’s spiral staircase to reach the gallery deck of this beautiful 150-year-old lighthouse. (Ask Nancy Navis about her harrowing experience!)

Pelletier’s Fish Boil in Fish Creek

It was a beautiful night sitting outside around a campfire watching our dinner being prepared in a huge boiling pot filled with Lake Michigan whitefish, potatoes, onions and corn. Just before the fish was done, the Master Boiler threw kerosene on the bonfire causing flames to shoot high into the air creating a “boil over” --quite spectacular! Our dinner was topped off with cherry pie and ice cream!

In the town of **Ephraim**, we visited an old dockside warehouse covered with decades of graffiti. Here **Phil and Karen Saari** are finding a place to sign their names.
